

**PAKISTAN BRITAIN TRADE AND INVESTMENT FORUM, FINANCE AND MINING  
BRIEFING EVENT,  
PAKISTAN HIGH COMMISSION, LOWNDES SQUARE, LONDON, SW1X 9JN,  
8 DECEMBER 2011, 09.30 – 12.30.**

The Pakistan Britain Trade and Investment Forum (PBTIF) invite you to a briefing event, on the opportunities in Pakistan's mineral sector, at the Pakistan High Commission on 8 December 2011. The PBTIF, a membership based organisation which was established to promote trade and investment opportunities between Britain and Pakistan, has recently returned from a finance and mining mission where they had access to the key decision makers in the Pakistan Government, were briefed at first hand on the massive opportunities and potential in Pakistan's largely untapped mineral sector and met representatives from other businesses active in the market.

The PBTIF is holding this event in association with the Pakistan High Commission and UK Trade & Investment and has invited mining sector and related experts to provide members of the investment community with details of the investment opportunities in Pakistan. There will be expert briefings, case studies and a view of the market followed by a networking lunch kindly sponsored by Lewissilkin. The event will be chaired by Zameer Choudrey, co-chair of the PBTIF and Group Chief Executive of Bestway Holdings, the Pakistan High Commissioner HE Wajid Shamsul Hasan will make a welcome address and speakers will include Dr David Twist, world class geologist at Incubex Minerals, Rudolph deBruin, the high profile mining entrepreneur and Nadim Khan, corporate lawyer at Lewssilkin who specialises in the energy and natural resources sector.

To register for this event please contact [peter.courtney@ukti.gsi.gov.uk](mailto:peter.courtney@ukti.gsi.gov.uk) (Tel: 0207 215 8283) providing your name, job title, company name and a contact 'phone number. There are limited places so please register as soon as possible.
